HYMS@TEN – what you achieved!

HYMS has beaten its fundraising target of raising £10,000 in its 10th anniversary year by achieving a grand total of £10,130 following the completion of the final event – the HYMS@TEN Grand Raffle draw.

This is a fantastic effort and the money raised will now be divided between the charities originally voted for by staff in autumn 2012. Half will be shared between local hospices in our region in recognition of the support and excellent teaching they provide for our students and the other half will go towards enhanced bursaries and scholarships for students as part of our commitment to them.

“This is a really fantastic effort,” said HYMS Dean Trevor Sheldon. “I’d just like to say a big thank you to all who have worked hard to raise all this money during the last year.”

The money was raised through all kinds of events organised by individuals and groups of staff which included pyjama days, bottle and cake stalls, 24-hour cycle challenges, Dragon Boat races, 10K races and many other activities.

The final event of HYMS@TEN was the Grand Raffle Draw which took place on Thursday 20 February. A list of prize winners is below.

Well done everyone for a great effort – here’s to the next 10 years!

- A mini cruise to Rotterdam or Zeebrugge, courtesy of P&O Ferries, Calie Pistorius
- An indulgent stay at the Acer Guesthouse in York, Una Macleod
