**My grounds for appeal are one or more of the following (tick relevant boxes):**

- (b)  Demonstrable procedural irregularities in the conduct of the assessment process of such a nature as to cause reasonable doubt as to whether the result would have been different if they had not occurred.
- (c)  Demonstrable procedural irregularities in the conduct of any process leading to a decision of a relevant Board/Committee.
- (d)  Evidence of prejudice or bias on the part of one or more of the examiners and/or any member of the relevant Board/Committee.
- (e)  That there are reasonable grounds to believe that the recommendation or decision by the relevant academic Board/Committee was manifestly unreasonable.

**CONFIDENTIAL**
