Introduction

1. The Board of Studies (Appendix 1) is the principal academic committee of Hull York Medical School. It is accountable to the Senates of the Universities of Hull and York through the Hull York Medical School Joint Senate Committee (HJSC), and is the sole Hull York Medical School committee to report to HJSC.

2. Hull York Medical School regulations, codes of practice, and policies will be submitted by the Board of Studies to the HJSC for ratification. Any such documents which relate to teaching and learning may also be considered by the Education Committee of the University of Hull, and the University Teaching Committee of the University of York, acting jointly.

3. In respect of its undergraduate and postgraduate programmes, all other academic committees of Hull York Medical School are deemed to be sub-committees of the Board of Studies and report to it, directly or through another academic committee, which in turn report to the Board of Studies. These are:

   Programme Quality & Standards, and Student Voice & Representation:

   MB BS Programme Board (Appendix 2)
   Intercalated Programme Board (Appendix 3)
   Postgraduate Programme Board (Appendix 4)
   Ethics Committee (Appendix 5)
   Student Staff Committee (Appendix 6)

   Academic Progression:

   MB BS Board of Examiners (Appendix 7)
   Intercalated Board of Examiners (Appendix 8)
4. A diagram showing the academic governance structure of the School is included on page 4 of this Code of Practice.

5. Meetings convened either in whole or in part by electronic means are permissible. Any electronic meetings should be conducted in accordance with the Hull York Medical School Protocol for Board/Committee Meetings convened either in whole or in part by electronic means.

6. Alterations to the number, title, terms of reference, membership, or constitution of Hull York Medical School Academic Committees will require approval by HJSC.

7. Hull York Medical School may publish annually a schedule of meetings of its Academic Committees.

8. Members and officers of Hull York Medical School Committees must adhere to the Seven “Nolan” Principles of Public Life, identified by the Nolan Committee in 1994. They are:

   • Selflessness – should act solely in terms of the public interest and not to gain financial or other benefits for themselves, their family or their friends.

   • Integrity – should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

   • Objectivity – should make choices on merit in carrying out public business, including making appointments, awarding contracts, or recommending individuals for rewards and benefits,

   • Accountability – are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

   • Openness – should be as open as possible about all the decisions and actions they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

   • Honesty – have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

   • Leadership – should promote and support these principles by leadership and example.

Board of Studies

Accountability, purpose and culture

The Hull York Medical School Board of Studies is the principal academic committee of the Hull York Medical School, and is accountable to the Hull York Medical School Joint Senate Committee (HJSC). Its purpose is to promote, assure and enhance the quality and standards across all of the Hull York Medical School curriculum, teaching and learning, assessments and postgraduate research.

In doing so, it will hold to account all those professionally responsible for the management of the School and those providing education and research support. It will consider all relevant information from all sources including the Universities of Hull and York, its regulators, student feedback, the Higher Education sector, Professional, Statutory and Regulatory Bodies, and the public.

Those Boards and Committees reporting to the Board of Studies will be asked to provide high quality delineation of issues, advice, codes of practice and policy development proposals to enable effective discussion and high-quality reporting to the Hull York Medical School Joint Senate Committee.

It will aim to ensure that all students have the opportunity to do well and to hear from them about how the school can progress further towards its goal of excellence. It will ensure that Hull York Medical School students have sufficient freedom to learn, to enjoy their time at Hull York Medical School and become doctors and professionals well prepared for the future.

The Board of Studies will ensure that all issues raised by student representatives at all Hull York Medical School Boards and Committees are effectively received, well considered and an agreed way forward established with follow up of agreed objectives.

In addition, the Board of Studies will serve the development of positivity in the relationships between the University of Hull and the University of York, the NHS education providers, the students and the faculty in the interests of all and of the quality of healthcare the public enjoys in our region.

The Hull York Medical School Board of Studies is an inclusive committee where all students and faculty members can get involved and present new ideas with the expectation that they will be fully debated and considered. Change will be facilitated where there is consensus. The Board must ensure that unwise things do not happen within all programmes or that unwise changes are made to them.

Mitigating and Exceptional Circumstances Sub-Committee
(A sub-committee of MB BS Board of Examiners, Intercalated Board of Examiners, and Postgraduate Board of Examiners)

Accountability and purpose

The Mitigating and Exceptional Circumstances Sub-Committee is responsible for the consideration of student claims for mitigating and exceptional circumstances. It is a sub-committee of and accountable to the MB BS Board of Examiners, Intercalated Board of Examiners, and Postgraduate Board of Examiners. All Boards of Examiners are accountable to the Hull York Medical School Board of Studies.

The Mitigating and Exceptional Circumstances Sub-Committee has responsibility for making recommendations in accordance with the Mitigating and Exceptional Circumstances Policy to the MB BS Board of Examiners, Intercalated Board of Examiners, or Postgraduate Board of Examiners. The relevant Board of Examiners has responsibility for making assessment and examination arrangements for the student in the light of the Mitigating and Exceptional Circumstances Sub-Committee’s decision.

Membership

Chair, an experienced academic member of staff who is not the Chair of any Boards of Examiners or the Board of Studies*
Deputy Chair of the Mitigating and Exceptional Circumstances Committee
Two academic members of staff from the MB BS Board of Examiners
One academic member of staff from the Intercalated Board of Examiners
One academic member of staff from the Postgraduate Board of Examiners
One member with expertise in disability support

In attendance: Secretary of Mitigating and Exceptional Circumstances Sub-Committee

All members shall be entitled to send appropriate deputies for unreserved business if they are unable to attend.

The meeting convened either in whole or in part by electronic means is permissible.

*The Chair shall hold office for a period of three years and shall not hold office for more than two consecutive periods of office.

Quorum: 3

Frequency of meeting

The Mitigating and Exceptional Circumstances Sub-Committee shall meet in advance of Boards of Examiners’ meetings. It shall also meet to review and evaluate mitigating and exceptional circumstances claims as they present themselves throughout the academic year to ensure that students receive the outcomes of their claims in a timely fashion.
Terms of Reference

1. To establish and review appropriate policies and procedures for mitigating and exceptional circumstances of students undertaking a Hull York Medical School degree.

2. To review mitigating and exceptional circumstances claims submitted by the student in order to reach a decision in accordance with Mitigating and Exceptional Circumstances Policy on whether those circumstances have affected the student’s academic performance adversely during the assessment period for which they are claiming.

3. To operate under delegated powers from the Boards of Examiners and to ensure that decisions are made on a fair, impartial and consistent basis. Any conflict of interest shall be declared at each meeting.

4. To ensure that decisions regarding the acceptance or rejection of mitigating and exceptional circumstances are entirely evidence-based. The Mitigating and Exceptional Circumstances Sub-Committee shall not endorse mitigating and exceptional circumstances where no evidence is submitted. Decisions on an outcome can be pending where exceptional events cause delay in obtaining evidence.

5. In reaching its decision, the Mitigating and Exceptional Circumstances Sub-Committee shall take account of the severity of the problem, its duration, and its coincidence with a critical point in the assessment period. The Mitigating and Exceptional Circumstances Sub-Committee shall treat each claim on its merits.

6. To make formal recommendations to the relevant Board of Examiners in regard to the decisions of mitigating and exceptional circumstances:
   - Request supported (circumstances considered valid, based on sufficient evidence).
   - Request not supported (circumstances not considered valid, based on the evidence provided).
   - Decision pending – more details required (circumstances may be valid but sufficient evidence has not yet been provided or queries have been raised).

7. To determine if the student should be referred to the Hull York Medical School Student Support Office for pastoral support in the light of the decision made by the Mitigating and Exceptional Circumstances Sub-Committee.

8. To monitor and review mitigating and exceptional circumstances trend data and provide an annual report to the Boards of Examiners.

Student Fitness to Practise Committee

Accountability and purpose

The Student Fitness to Practise Committee is accountable to the Hull York Medical School Board of Studies.

The Committee exists to hear cases of students of the Hull York Medical School where their Fitness to Practise may be cause for concern. The Committee members are required to critically review and consider the evidence provided on a case by case basis, and to determine whether the concerns about the student’s fitness to practise should be referred to a Panel Hearing.

The Panel Hearing has a number of powers as outlined in the Code of Practice on Student Fitness to Practise, this includes, but is not limited to, the power to issue a formal Warning and to impose a range of sanctions, including the recommendation to terminate a student’s studies.

Membership

Chair*  Appointed by the Dean of Hull York Medical School
Deputy Chair  Appointed by the Dean of Hull York Medical School

The Chair or Deputy Chair will also normally act as Chair of any Fitness to Practise Panel.

Members:

Membership of all categories will be through nomination by the Dean of Hull York Medical School, approved by the Board of Studies, and will be for a period of three years, renewable by mutual agreement for a further three-year period. The consideration of matters relating to fitness to practise is reserved, and therefore student representatives are not eligible for membership.

The Committee should consist of twelve members and include representatives from the following categories:

Members appointed to represent explicitly Patient and Public Involvement
Members of academic staff of the Hull York Medical School, employed by the University of Hull and the University of York.
Members holding an honorary title from Hull York Medical School (as defined by the Policy on Honorary Titles).

Members with leadership responsibility for Postgraduate medical training within Health Education England: Yorkshire and the Humber.
Members with leadership responsibility for students’ clinical education.
Co-opted members to address the balance of the Committee, including colleagues from other Schools/Depts in the Universities, Student Advocates and other professions.

In attendance:
All members shall be entitled to send appropriate deputies for unreserved business if they are unable to attend.

The meeting convened either in whole or in part by electronic means is permissible.

*The Chair shall hold office for a period of three years and shall not hold office for more than two consecutive periods of office.

Quorum: 4

Frequency of meetings

The Student Fitness to Practise Committee shall meet twice per academic year and at such other times as may be required.

Terms of Reference

The Student Fitness to Practise Committee provides scrutiny of all Fitness to Practise investigations. The conduct of the Committee is governed by the Code of Practice on Student Fitness to Practise.

1. To consider all expressions of concern about an applicant for admission to the MB BS degree programme (including Gateway) or the postgraduate taught MSc in Physician Associate Studies who may bring a risk to members of the public, or limit the applicant’s ability to perform a medical/health professions role satisfactorily; and to report the findings of such consideration to the School’s Admissions Tutor.

2. To receive referrals from the School’s Case Management Group. This will require careful deliberation of the referral and/or accompanying Investigating Officer’s report. The Committee will then be required to make recommendations as outlined in the Code of Practice on Student Fitness to Practise, including if appropriate the option to refer the student to a Fitness to Practise Hearing.

3. In cases of direct referral (as illustrated in the Code of Practice on Student Fitness to Practise), the Committee will be required to initiate an Investigation where this is considered necessary and after careful deliberation of the findings, make recommendations as outlined in the Code of Practice on Student Fitness to Practise, including if appropriate, the option to refer the student to a Fitness to Practise Hearing.

4. To recommend action based on such a Panel Hearing to the Hull York Medical School Board of Studies.
